6

6. Vidzeme Rocky Seashore and Veczemju Red Cliffs

A nature reserve 14 km in length from Tuja till Dzeni, where several capes reach into the sea. 200 m long and 4 m high sandstone cliffs with grottos and caves. The most exuberant red sandstone cliffs on the seashore of Latvia. A favoured route for one-day hikes.
Tel. (+371) 29464686

7

7. Lamprey Weirs in Salaca

Lamprey fishing basket weirs – a traditional and unique fishery method. Nowadays only in Salacgrīva is the fish basket weir still being used for real lamprey fishing. The origin of this unique fishing method dates back several centuries. Weirs, lamprey fishing and tasting (July – November).
Salacgrīva, Tel. (+371) 29268299

9

9. Boating in the Salaca River

Route: Staicele–Salacgrīva.
This is a holiday route with no technically complicated stages and can be accomplished with all types of water transport – canoes, catamarans and inflatable boats. Ideal for families with smaller voyagers for its slow current.
Aloja district Staicele Tourism Information Centre, Liela Street 13, Staicele, Tel. (+371) 64035371, www.staicele.lv

11

11. Igate Castle

Igate Castle is one of the most romantic castles in Vidzeme. Igate Castle mill tavern is located next to it, where while enjoying a meal, guests can watch water mills through the window which are still grinding groats. In summer, guests are welcome to enjoy a meal on the terrace with an unforgettable view of the castle.
Vidrižu parish, Limbaži district, Tel. (+371) 64062432, www.igatespils.lv

8. Naval School Museum

Latvian seafaring museum. More than 9000 collection units are stored in the museum, a vast collection of anchors is displayed in the museum yard. For events or groups registered in advance a savoury fish soup is prepared.
Valdemara Street 47, Ainazi, Salacgrīva district, Tel. (+371) 64043349

8

10. The Old Firefighters' Depot

The original stairs have been preserved on all storeys of the tower with a considerably steep slope. The comparatively hard climb and the glazed floors exaggerate the extreme sensations. The small windows of the fifth storey (semi-storey) open up views over the central part of the old-town. Take photos at the renovated firefighters' car, which is especially favoured by the smallest visitors.
Limbazi TIC, Torna Street 3, Limbazi, Tel. (+371) 64070608, www.visitlimbazi.lv

12

12. Birini Castle

A cultural historical complex which is being constantly improved and is open all seasons. Birini Castle was constructed between 1857 and 1860 for Count Pistolokors' family. A romantic and beautiful setting formed of a park, lakes and manor house buildings. A hotel and restaurant are located in the Castle. A tavern is located in the water mill.
Birini, Limbaži district, Tel. (+371) 64024033, www.birinupils.lv
